

At Montcalm Community College, sustainable access to the arts, cultural offerings, recreation and enhanced

- To celebrate Women's History Month in March, the college displayed a timeline highlighting key historical points that look back at barriers women have overcome to be accepted as equals to men in society and in the workplace.
- To support Women's History Month, MCC hosted "Life Experiences," a virtual presentation by Mrs. America 2022 Jackie Green, during which she discussed how life experiences shape our confidence as well as her intersex conditions and the ramifications of uninformed doctors.
- In April, the college celebrated World Health Day with "The Crack Chronicles, Dissection of a Demon," presented by Syreeta Drake.
- In partnership with the public libraries in Montcalm County, the MCC Library participated in One Book One County Montcalm programming from May through September.
- In celebration of Asian American/Pacific Islander
