	paid for by their employer. MCC helps local employers access Michigan New Jobs Training grant funding.
(ii) The community college provides customized on-site training for area companies, employees, or both.	MCC regularly offers PLC (Allen Bradley and Siemens) training; FANUC and Kuka robotics training; Tig and food grade welding training, basic computer training, basic blueprint reading and measurement training, GD&T training, Excel/Access training, sales training, MIOSHA, Lean, Quality management, internal audit, plant design, coaching, and CNC training to many local businesses including local manufacturers and local health care facilities. MCC also partners with the Michigan Manufacturing Technology Center (MMTC) to provide other training as needed. MCC provides directed study/internship opportunities and programs to business and industry representatives.
(iii) The community college supports entrepreneurship through a small business assistance center or other training, or consulting activities targeted toward small businesses.	MCC has a credit program in entrepreneurship and offers non-credit classes in numerous areas dealing with starting a company. MCC hosts MSBDC counseling at the Greenville campus and offers free classes with the MSBDC and SBA for starting a business. The college also provides free computer use, free use of business plan software, and many other free business resources to the community.

(iv) The community college supports technological advancement through industry partnerships, incubation activities, or operation of a Michigan technical

(iii) The community college operates public facilities to promote cultural, educational, or personal enrichment for community members, such as libraries, computer labs, performing arts centers, museums, art galleries, or television or radio stations.	MCC operates a campus library that is open to the public and collaborates with all the local district libraries. MCC computer labs in Greenville and Sidney are open to the public and offer free Internet access. Students from local schools regularly come to MCC's main campus in Sidney to see the Mastodon bones that are on display, and tour Heritage Village to learn about the history of Montcalm County. One Book One County Montcalm and MCC Reads that engage the entire community in reading and discussing books.
(iv) The community college operates public facilities to promote leisure or wellness activities for community members, including gymnasiums, athletic fields, tennis courts, fitness centers, hiking or biking trails, or natural areas.	MCC operates a gymnasium, a pool, a rock-climbing wall, and a fitness center that are available to the public for a small charge. MCC has tennis courts, pickleball courts, and a disc golf course that are available to the public at no charge, as well as nearly five miles of nature trails on the main campus in Sidney. MCC also holds the Bramble Ramble, an annual 5K run, 10K run, and one mile walk on the nature trails. Montcalm Community College's Recreation & Fitness Center is a Silver Sneakers site. That means community members who are 65 or older are free to move at no cost through select Medicare plans.
(v) The community college promotes, sponsors, or hosts community service activities for students, staff, or community members.	MCC hosts events such as the monthly legislative luncheon and political debates. MCC student organizations are encouraged to consider avenues for community service as part of their planned activities. MCC's marketing classes create marketing plans for local businesses, and MCC's Tax Accounting students work with the United Way to complete yearly taxes for low-income families. MCC's nursing program has a graduation requirement for students to complete six hours of volunteer time focused on the health and wellness within the community. Through service-learning projects, MCC students, instructors and staff support community activities such as local food pantries, clothing collections, health clinics and efforts to combat homelessness.

Mrs. Carbonelli appointed Trustee Robert Marston to the audit committee through 9/12/26.

The Trustees discussed the upcoming millage community conversations.
