

**Program Description:** This program prepares students to be qualified education paraprofessionals in Title I schools and other districts complying with the No Child Left Behind Act of 2001, to substitute teach, and to work in a variety of other roles within a school district. The Education Support program offers students a solid foundation in general education courses as well as education-related courses. Students are encouraged to meet with an MCC counselor prior to starting this program for help with the verification process.

**Program Length:** 2 Years

This is suggested course sequencing. Please see a counselor or advisor for individual adjustments.
